

Call for Papers

2026 Global AI Finance Research Conference

December 14–15, 2026

Taiwan (In-person only)

The FinTech Research & Education Center and Center for AI Finance at Sungkyunkwan University, The National Taiwan Normal University, The University of Hong Kong, and Asian Institute of Digital Finance at National University of Singapore will be holding the annual international conference in Taiwan on December 14 to 15, 2026. Financial Information Society of Korea is participating in this conference as a co-organizer. The conference provides a platform for researchers and practitioners from academia and industry to present current research and stimulate exchanges on new developments in FinTech areas. The conference will accept only a small number of papers to enhance its quality and be held in-person only. Please visit www.aifinconf.org for further information.

TOPICS

Papers in all areas of FinTech are welcome. Topics of interest include:

- Artificial Intelligence (AI), Big Data and Machine Learning
- Blockchain and Cryptocurrencies
- Security Token Offerings (STOs) and Initial Coin Offerings (ICOs)
- Decentralized Finance (DeFi)
- Peer-to-peer lending
- FinTech regulation
- High-frequency trading and market liquidity
- Green FinTech

KEYNOTE SPEAKER

Lin William Cong, Nanyang Business School, Nanyang Technological University, Singapore

PAPER SUBMISSION AND REGISTRATION

Authors must submit papers and register for the conference at <https://www.conftool.net/aifinconf2026>. The submission deadline is **August 31, 2026**. Authors will be notified of the review committee's decision by September 30, 2026.

POSTER SESSION

The conference will feature a dedicated poster session, providing an opportunity for researchers to present work-in-progress and receive feedback from participants. Authors interested in presenting a poster should

submit an extended abstract through the conference submission system. Accepted poster presentations will be included in the conference program. Poster submissions are welcome on all conference topics.

The poster submission deadline is **August 31, 2026**. Authors will be notified of the review committee's decision by September 30, 2026.

BEST PAPER AWARD

The best paper will be selected by the review committee and awarded with an honorarium of **\$1,500**.

PROGRAM CHAIR

- **Byung Hwa Lim**, Director, FinTech Research & Education Center at SKKU
- **Kyojik “Roy” Song**, Director, Center for AI Finance at SKKU
- **De-Wai Chou**, Director, Industry and Management Research Development Center, Graduate Institute of Management at NTNU
